Alarge assortment of Fruit Jars of the latest styles, and the same price charged as if their sent to make the same price charged as if their struggle approaches—the cutemy is threatening and will perhaps attack us before many days are over. In addressing my old commanions of Lombardy 1 know 1 am not prices are firm at 1.30 and that it is enough 1.18 for good do and 1.

FRANCE-The Emperor Napoleon and the Empress Eugenie met with a most enthusi. Empress Engenie met with a most entions astic reception on their visit to Bardeaux.—
The speech made by the Emperor produced a favorable impression. He said that the French Government which was the means of restoring the Pape to the Pontifical throne would only give such respectful counsels as were directed by its sincere devotion to the interest of his Holiness, but it could not be alarmed about the day, which was not far distant, when Rome would be evacuated by distant, when Rome would be evacuated by

the French troops.
China-The dates from China received by the overland mail are to the 10th September. The Pelho river and the grand or nal are still blockadeed by the English and French war vessels.

The American Minister, Mr. Ward, was still negotiating with the Chinese, and was about to proceed to Pekin.

Ching Kang, the celebrated rebel leader bas been killed by his own people.

ONO. 301, SECOND Secretary No. 301, SECON

From Washington. Washington, Oct. 23.
During the last week the Postmaster General discounted 75 small postoffices, many others having been previously abolished.
The N. O. Picayune, of Tuesday, received.

ed by mail, says a number of private letters from Vera Cruz, alluded to the threatening expedition against that city, Alvasodo, and other places on the Gulf Coast, but none of the writers appear to entertain any fears of the writers appear to entertain any fears of this—not from any protection the Constitutional Government would be able to afford them, but from the well known jealousy of the opposing party. The argument appears to be this, that even in case Miramon really contemplated such an expedition, he would not dare set out on it, lest during his absence, Marquez should siexe upon the Government.

Where the writers appear to entertain any fears of this—not from any protection the Constitutional Government would be able to afford them, but from the well known jealousy of the opposing party. The argument appears to be this, that even in case Miramon really contemplated such an expedition, he would not dare set out on it, lest during his absence, Marquez should siexe upon the Government.

2 Pipes Holl. Gin, E. O'BRIEN, B. O'

Washington, Oct. 24.

A number of papers brought from the insurgents camp at Harper's Ferry and in possession of the government, and will be published in the Constitution to-morrow. Some of them are signed John Smith, in the hand writing of one of the sons of Ossawatamie Browo, and endersed in that of the latter.

The documents show that the conspiracy extended throughout a portion of Ohio, New York. New England, and to some towns in PERMANENTLY LOCATED:

tended throughout a portion of Onio, New York, New England, and to some towns in Pennsylvania. One letter says: 'Our hands so far are coming forward, probably better than 1 expected, as we have called on them.'

The papers give the number of pick-axes, showels and articles of personal comfort, together with the bills for the same, while others ask for money. J. B. S., of Consord, N. H., subscribed \$55. There is also a letter dated Out 1st, in which the writer remet with some success, "our old friend, J. R. G.," he says, "took stock to the amount of

PHIRADELPHIA, Oct. 24. Hon. J. R. Giddings, of Ohio, delivered his lecture on scenes in Congressional life this evening at Concert Hall. The attendance was not very large. Before entering upon them he announced to the audience that on Friday evening next he would address them on the subject of insurrections, riots, &c, caused by the institution of slavery, in which he would give to the public

Hon. J. R. Giddings publishes a card, de-fending himself from the insinuation implied by the refusal of Capt. Brown, to an-swer the questions in conversation with Sen-ator Mason and Messrs Faulkner and Vallandigham, whether he (Giddings) had been consulted about the Virginia expedition. He pronounces this attempt to assail him as dishonorable, and denies ever having NAIRN is receiving every day, per Exbeen consulted by Brown in regard to his
*press, a very SUPERFOR quality of or matter whatsoever:

The Herald's Washington correspondent telegraphs that the Secretary of War has received since the affair at Harper's Ferry an insolent letter purporting to come from the notorious Cook, dated at Chambersburg T. K. WILLARD & WHEATON,

HAVING MADE ARRANGEMENTS with Prof. B. F. GEREBOUGH, of Boston, (the original laventor of Completon and Bureding Philit), for the equiusive right to manufacture and sell the NON-EXPLOSIVE BURNING FLUID, In bayton and Montgomery county, I am now prepared to offer it to the public. Baying seen and make agreed variety of the most dangerous experiments with the Find, i am fully assured that It may be used with PERFECT SAFET X and writant the sightest possibility of ascident, and without the sightest possibility of ascident, and will not explode under any ordinary use of Burning Find. I have fully located its specific in presence of all of our best themists, and many citizens. All pronounce it of the utmost importance to every family as a safe and brilliant Light. It is used in the same Lamps as the common Find, and although a little inuse expensive in the man-lacing, will be soid at a very slight advance over common Find. over common Fluid.
